This challenge is about counting on and back in steps of 1, 10 and 100. Roll a dice twice to establish your starting number - the first roll will give you the tens digit and the second roll will give you the units digit. You can then make five jumps to get as close to 50 as possible. You can jump forwards or backwards in jumps of 1 or 10 or 100.

The Health and Safety Executive (HSE) advises employers to follow five steps when carrying out a workplace risk assessment: Step 1: Identify hazards, i.e. anything that may cause harm. Employers have a duty to assess the health and safety risks faced by their workers. Your employer must systematically check for possible physical, mental, chemical and biological hazards.
