## Answers:

Read Print is an online library where you can find thousands of free books to read. The books are classics or Creative Commons licensed and include everything from nonfiction and essays to fiction, plays, and poetry. Free registration at Read Print gives you the ability to track what you've read and what you would like to read, write reviews of books you have read, add books to your favorites, and to join online book clubs or discussion lists to discuss great works of literature.
