Troubleshooting, Igloo Portable Ice Maker!

There really aren't as many different countertop ice makers out there as you might at first think. Even the Frigidaire EFIC108, which I think is the best ice maker available today (formerly the Igloo ICE108), has a clone in the Della Premium model. You can find some of the most popular countertop ice makers marketed under several brand names.

Best Ice Maker of All: Frigidaire EFIC108

This may damage the icemaker. It is best to fill the water reservoir with water of room temperature or lower. 1. Open the top cover, take out the ice storage basket and fill the water reservoir with drinkable (tap, purified or bottled) 2.3 quarts water to the level mark and replace the ice storage basket.
