### **My Very First Body Book - Usborne Books**

I looked at a TON of human body books for my first grader. It seemed nearly impossible to find one for the 5-8 year old crowd that was factually thorough and had real photographs, but that wasn't too in-depth or too advanced in vocabulary. So many books for this age group are just plain simplistic and cartoony and don't do justice to the amazing machines our bodies are! Since my dd is highly ...

### **First Human Body Encyclopedia (Dk First... book by Penny Smith)**

This book also includes information on sleep, going to the doctor and dentist, and body language. A glossary at the back of the book highlights key words to enhance retention. With First Human Body Encyclopedia, kids will become human body experts in no time.
