Our aim is to deliver the best Pre-registration programme. So, to ensure training remains relevant, we review our content yearly, based on advice from optical professionals, changes in the industry and feedback from our newly-qualified optometrists. This is just one of the many reasons we continue to attract a record number of Pre-reg students each year. Below you'll find our four key steps ...

Avec ce programme de musculation complet en circuit-training c'est une tonicité corporelle générale qui sera acquise en évitant une prise excessive de masse. Tous les muscles du corps sont successivement activés dans une alternance repos-effort qui peut être ajustée selon le niveau du pratiquant. Il augmente le métabolisme basal ce qui est parfait pour brûler des calories, même au repos!

Many pre-reg students have commented that they felt they needed more education and training during their preregistration year. This wasn't just to help them pass the preregistration assessment but to give them further formal learning opportunities that will give them an advantage when applying for jobs and when they start practising as qualified pharmacists.
