State the purpose of each one, and generalise the purpose of information texts. Look for other commonalities between the texts. Brainstorm another aspect that could be included in the goat information report, for example, the shelter that goats need or how their hair can be used.

Foundation: information report

Resources to Teach the Informative/Explanatory Writing Genre Create authors that can inform, describe, or explain in their writing at four developmental writing levels. Informative/Explanatory Writing Lessons model the writing process and give students practice with the structure and language of a text type.

Resources to Teach the Informative/Explanatory Writing Genre

Some teachers have developed a conferencing strategy of asking students to tell more about a particular point or event, but we believe that research can inform teachers on improving students' writing of that special nonfiction genre known as the information report. The information report—a way of using language to provide factual information about a topic— is a particularly important genre both in education and in the larger society (e.g., Christie & Derewianka, 2008; Pappas, 2006).
