The Raging Fires: Book 3 (Merlin Saga): Barron, T. A ...

The Raging Fires is the third book in T. A. Barrons Merlin series. This is a good book, though it is a short read. I would recommend it to tweens and younger teens. It may get boring to older teens. Barron did a good job introducing new and unique characters in different ways. The ending is nice and concludes the book well.

"The Raging Fires" sets aside the foresty Celtic symbolism of the previous two books, in favor of fire -- harps burn, lava burns, dragons blast fire, and homicidal anger rages out of control. He also seems to have exhausted his mythological store for the moment, because most of the magical goings-on in this book are pretty original creations.
